TITLE I Meeting conducted here

SSC meeting resumed...

Adrian Goldstein: The upcoming Bret Harte info night may be of interest to the SSC. Are we involved in facilitating this transition to middle school?

Donald Bertolo: We're trying to establish a feeder program – all of our kids end up going to one, good, middle school. Ease the transition, abet success.

Tracey Kelp: But for families living outside Sequoia's catchment zone, Bret Harte might not be the automatic choice. So are we exploring other options for which middle school that would be?

Donald Bertolo: Oh, right! We're just talking about making it possible to go to BH *if* you select it.

Martin Bond: The SSC rubric from last year, wherein we gave ourselves evaluations on various elements of our performance as an SSC: will we be revisiting those evaluations and goals in the context of improving our performance this year?

Donald Bertolo: Yes, we're going to look at a selection of the items discussed – not all of them are applicable, b/c we're not a full Title I school. One of the goals, for instance, was to have the ILT and the SSC talk and coordinate efforts, and we're doing that. I wanted to get the obligatory elements satisfied (e.g., today's Title I meeting and its products), and then we can move to that.

SSC Meeting adjourned at 5:56pm

Next SSC meeting: November 1st, 5:00 PM.
